5. **STREP THROAT:** Child should have started antibiotics 24 hours before attending.
6. **RASH:** Children with an unexplained or contagious rash should not attend
7. **ANY SKIN INFECTION:** – Boils, Ringworm, Impetigo
8. **PINK EYE:** Attend only after 24 hours of antibiotics, no matting or drainage occurs, and the child is no long rubbing the eye.
9. **NASAL DRAINAGE:** Child should not attend until clear.
10. **HEAD LICE:** Child should not attend until all nits are removed and have been checked by Pre-School & Children's Ministry Director.

We ask that you follow the recommendations of your healthcare provider for knowing when a child is ready to return to normal activity following an illness. Your child may appear to be feeling better; however the illness may still be present.

At ELBC, we will notify the parents and isolate the child if any of these symptoms are observed.
